## The Perfect Opportunity to Keep Players Engaged!

The *Avacyn Restored™* League starts the same day this exciting **Magic™** set hits your store's shelves, replacing and improving on the Launch Party concept!

### Event Features

- League is an exciting opportunity to bring **Magic** players in for weekly, casual play at your WPN location. It's also simple to get started – these events can be reported as casual events and may be scheduled any time – **sign up today using [Wizards Event Reporter!](#)**
- League events are perfect for Gateway level stores to help encourage growth in the local player community, and also to increase your event participation statistics! This is a great opportunity for your store to reach [Core](#) and [Advanced](#) levels in the WPN.
- **New and experienced players alike love leagues.** They give new players a chance to play casually, and give those with more experience a chance to show off their skills.
- The *Avacyn Restored* League start date coincides nicely with the first [Friday Night Magic](#) of the month. If you are a Core or Advanced-level WPN store, be sure to take advantage of this fact and run the league along with your FNM event!
- The League will include a fun Angel Flight optional rule that provides a different effect for all matches each week. More information on this will be included in the League Kit.
- League Play:
  - Sealed Deck
  - Player are allowed up to five matches per week
- Sign up to run an *Avacyn Restored* League at your retail location and **Wizards will provide you contents** which allow for two leagues:
