Increase the Fun of any Dungeon-Based D&D® Game!

Key Features

- **D&D Encounters™ Support**: This product supports the D&D Encounters *Web of the Spider Queen™* in-store play program by providing Dungeons & Dragons players with exciting new options for their D&D Encounters characters.

- **Versatility**: This book is a fantastic addition to every player’s collection – including those who play in home games.

- **Character Themes**: This book presents several new character themes tied to dungeon exploration. Themes are popular with Dungeons & Dragons players, as they provide more depth to each character’s back-story and provide intriguing in-game benefits.

- **Great for Dungeon Masters!**: This book also includes advice for Dungeon Masters on how to integrate character themes into an ongoing campaign that features dungeons and other subterranean environments, as well as dungeon-building tips.

- **Marketing Campaign Support**: This product is part of a multi-category portfolio of product offerings focused on drow (one of the races in D&D), and will be included in a consumer marketing campaign.
