

DUNGEONS DRAGONS

Baldur's Gate, a city in the grip of evil and on the verge of civil war!

Murder in Baldur's Gate™ is an adventure for character levels 1-3 set in one of the most popular cities in the **Forgotten Realms**®. Players take on the role of heroes defending the city against an ancient evil long thought slain. The adventure is authored by fan-favorite writers and designers Ed Greenwood, Matt Sernett, and Steve Winter. It's playable using downloadable monster stats for multiple **Dungeons & Dragons**® editions: v.3.5, 4th Edition, and **D&D**® Next.

First adventure of the Sundering, shaping the future of the Realms!

The Sundering is a major story event impacting the **Forgotten Realms** and *Murder in Baldur's Gate* puts players directly into the story. Fans of **D&D** can not only take part in the events of the Sundering by playing adventures, but the actions that they take can permanently change the course of history and help shape the Realms forever.

Supported by a season of D&D Encounters™ in-store play!

Players will be able to experience this adventure at your store through **D&D Encounters**. The fun kicks off with a Launch Weekend event and continues through the entire **D&D Encounters** season. Please see the next page for information on how to offer these exciting programs at your store.
