DUNGEON & DRAGONS® – *Mordenkainen's Magnificent Emporium - Mundane and Magical Equipment for Every Adventurer*™

20 September 2011 – release date

A wondrous collection of magical treasures for any campaign.

Few wizards know more about magic than the mighty Mordenkainen, whose arcane achievements are without peer. He's the Archmage of Adventure . . . and no stranger to unearthing hidden lore. Stand aside, Tenser! Back to the books, Otiluke! Few can match Mordenkainen's collection of magic items. Still, he hardly seems the type to settle down and open a magic shop. And yet . . .

Welcome to *Mordenkainen's Magnificent Emporium*, a wondrous collection of magic items—each one with a story to tell. This tome provides Dungeon Masters with a ready assortment of treasures to tempt greedy players, along with historical nuggets and alluring adventure hooks that set these items apart from your run-of-the-mill *flaming sword* or *bag of holding*. This book adds rich flavor to the treasures and trinkets presented within, and a dash of inspiration for Dungeon Masters looking to liven up a monster's trove. Hold on to your magic hats—everything must go!
